The Panel decided as follows:-

- (1) 11/00557/APP and 11/00571/CON – AYR – Templeton House, 40 Racecourse Road**  
- Erection of care home and Demolition of existing building.

**Decided:**

- to refuse the application ref. 11/00557/APP on the following grounds:-
  - (a) that the proposed care home is contrary to the provisions of policy ENV6 of the approved Ayrshire Joint Structure Plan in that the proposals have an adverse effect on heritage resources, and are inappropriate in terms of scale, massing, design, materials and loss of trees, and the proposals do not safeguard the characteristics of the Ayr 2 Conservation Area or the setting of nearby listed buildings;

- (b) that the proposed care home is contrary to the provisions of policy STRAT5 of the adopted South Ayrshire Local Plan, in that the proposals do not safeguard the amenity and privacy of nearby dwellings and flats, as a result of overlooking and overshadowing/loss of light to rear garden areas and rear/side facing windows of properties at 38 and 42 Racecourse Road, Ayr, and in that the proposals are inappropriate in terms of scale, massing, design, materials and loss of trees and do not safeguard the characteristics of the Ayr 2 Conservation Area, or the setting of nearby listed buildings;
- (c) that the proposed care home is contrary to Policy BE1 of the adopted South Ayrshire Local Plan, in that the proposals do not represent a high standard of development which respects townscape character, whose design does not respect the locality in terms of building height, scale, massing and materials, and which does not respect the residential amenity of adjoining residential properties to the north and south of the site, in terms of not maintaining privacy and ambient daylight;
- (d) that the proposed care home is contrary to Policy BE2 of the adopted South Ayrshire Local Plan, in that the proposals by reason of their height, scale, massing and materials do not respect the setting of the Category C(s) listed building at 38 Racecourse Road, and other nearby listed buildings at 34 and 36 Racecourse Road, Ayr;
- (e) that the proposed care home is contrary to Policy BE3 of the adopted South Ayrshire Local Plan, in that the proposals by reason of their height, scale, massing, materials and loss of trees do not preserve or enhance the appearance of the Ayr 2 Conservation Area;
- (f) that the proposed care home is contrary to Policy BE5 of the adopted South Ayrshire Local Plan, in that the proposals do not represent a high standard of development, in that the proposals do not retain the original building of Templeton House, in that the new building does not respect the characteristics of the Ayr 2 Conservation Area, and in that the proposals are not sympathetic to the design features, character and proportions of the original property;
- (g) that the proposed care home is contrary to the provisions of Policy H7 of the adopted South Ayrshire Local Plan, in that the proposals do not safeguard the amenity and privacy of nearby dwellings and flats, as a result of overlooking from second and third floor windows of the care home, of rear garden areas and rear/side facing windows of the house at 38 Racecourse Road, Ayr, and the flats at 42 Racecourse Road, Ayr;
- (h) that the proposed care home is contrary to Policy H7 of the adopted South Ayrshire Local Plan in that the proposals will have a detrimental impact on the amenity of the house at 38 Racecourse Road, Ayr, and the flats at 42 Racecourse Road, Ayr by reason that the height, scale and massing of the nursing home will result in a sense of enclosure and loss of light to the rear garden areas, and rooms within the property at 38 Racecourse Road, and to the flats at 42 Racecourse Road, Ayr to the detriment of and enjoyment of their residential amenity;

- (i) that the proposed care home is contrary to Policy ENV12 of the adopted South Ayrshire Local Plan, in that the proposals will result in the loss of 13 trees within a conservation area to the detriment of the character and appearance of the Ayr 2 Conservation Area; and
  - (j) that the proposed care home is contrary to the provisions of Government guidance, Scottish Historic Environment Policy and Scottish Planning Policy in that the proposals have an adverse effect on heritage resources, and are inappropriate in terms of scale, massing, design, materials and loss of trees in that the proposals do not safeguard the character and appearance of the Ayr 2 Conservation Area, or the setting of nearby listed buildings; and
- to refuse the conservation area consent application ref. 11/00571/CON on the grounds that the proposal to demolish the former listed building 'Templeton House' was contrary to the provisions of Government policy and guidance as expressed in Scottish Planning Policy, Scottish Historic Environment Policy, the Historic Scotland publication entitled Managing Change in the Historic Environment(Demolition), the provisions of Policies ENV6 in the Ayrshire Joint Structure Plan and Policies STRAT5, BE3 and BE5 in the South Ayrshire Local Plan, for the following reasons:-
    - (i) the proposed demolition of the original Templeton House fails to preserve or enhance the character or appearance of the conservation area;
    - (ii) the former Templeton House is considered to be of substantial value in terms of the townscape and character of the conservation area;
    - (iii) no satisfactory evidence has been submitted which demonstrates that the building is beyond repair or that the structural condition of the existing building rules out its retention at reasonable cost;
    - (iv) no evidence has been submitted to state that the form and location of the existing building makes it difficult to re-use;
    - (v) there are no acceptable proposals for a new building on the site;
    - (vi) it has not been demonstrated that the building is not sufficiently important to retain; and
    - (vii) a compelling case, in terms of wider public benefits, has not been made in respect of the demolition of Templeton House, and the replacement building would have a detrimental impact on the character and appearance of the Ayr 2 Conservation Area.
