There were submitted the relevant papers (issued) relating to a request to review the decision on conditions imposed on consent by Appointed Officer for change of use, alternations and extension to office to form dwellinghouse at Temple Mount B743 from A77T at Whitletts roundabout to Mauchline road, Mossblown, Ayr, South Ayrshire, KA65HN (21/00038/APP).

Having heard the Chair, the Legal Adviser to the Body and the Planning Adviser to the Body, the Body considered the papers relating to the Review.

Decided: to grant the Review and overturn the decision made by the appointed officer and remove condition 3 attached to the grant of planning permission. Therefore, Planning Permission is granted subject to conditions for the reasons listed below.

- (1) That the development hereby granted shall be implemented in accordance with the approved plan(s) as listed below and as forming part of this permission unless a variation required by a condition of the permission or a non-material variation has been agreed in writing by the Planning Authority.
- (2) That prior to the commencement of development, samples or a brochure of all materials to be used on external surfaces, in respect of type, colour and texture, shall be submitted for the prior written approval of the Planning Authority.

Reasons:

- (1) To ensure that the development is carried out in accordance with the approved plans unless otherwise agreed.
- (2) In the interests of visual amenity.

Advisory Notes:

- In accordance with Section 58 of the Town and Country Planning (Scotland) Act 1997 (as amended), this planning permission lapses on the expiration of a period of 3 years beginning with the date on which the permission is granted unless development to which the permission relates is begun before that expiration.
- A site notice to be displayed in accordance with Section 27C(1) of The Town and Country Planning (Scotland) Act 1997 and Regulation 38 and Schedule 7 of the Town and Country Planning (Development Management Procedure) (Scotland) Regulations 2008 shall be completed, printed on durable material, and be displayed in a prominent place (readily visible to members of the public) at or in the vicinity of the site while the development hereby approved is in progress. This requirement is in order to ensure that members of the public are made aware of the background to the development in progress and have access to the necessary contact details. A template for the Site Notice is attached to this decision notice. An electronic version is also available on the Council's web site as follows www.south-ayrshire.gov.uk/planning/forms.aspx 'Notice to be displayed while development is in progress'.
- The person who intends to carry out the development hereby approved shall, as soon as practicable after deciding on a date on which to initiate the development, complete the attached form entitled 'Notification of Initiation of Development' and submit it to the Planning Authority before commencement of the development. For the avoidance of doubt, failure to submit the required notice would constitute a breach of planning control under S123(1) of the Town and Country Planning (Scotland) Act 1997 (as amended). This notification is required to ensure compliance with the requirements of planning legislation as contained in Section 27A of the Town and Country Planning (Scotland) Act 1997 (as amended).
- The developer is required in carrying out the development hereby approved to submit to the Planning Authority a formal written 'Notification of Completion of Development' as soon as practicable after the development has been completed. This notification shall include the reference number of the planning permission, the site address and the date of completion. This requirement is to ensure compliance with the requirements

of planning legislation as contained in Section 27B(1) of the Town and Country Planning (Scotland) Act 1997 (as amended).

- The developer is required in carrying out the development hereby approved to submit to the Planning Authority a formal written Notification of Completion of Phases of Development as soon as practicable after completion of each phase of the development and subsequently a Notification of Completion of Development as soon as practicable after the whole development has been completed. These notifications shall include the reference number of the planning permission, the site address and the date of completion of the relevant phase. This requirement is to ensure compliance with the requirements of planning legislation as contained in Section 27B(1) and Section 27B(2) of the Town and Country Planning (Scotland) Act 1997 (as amended).

Reason for Decision

The LRB decided that the proposal accords with the Adopted South Ayrshire Local Plan: LDP Policy: Spatial Strategy (Core Investment Area); LDP Policy: Sustainable Development; LDP Policy: Greenbelt; LDP Policy: Rural Housing; and LDP Policy: Estates; the proposals are consistent with Scottish Planning Policy (SPP) and South Ayrshire Council's Supplementary Guidance (SG) on Rural Housing; and that the proposed dormer window is in keeping with the size and scale of the wrap around extension and would not be overlarge and unsympathetic to the overall design ethos of the property.
